Agenda Item Description Form

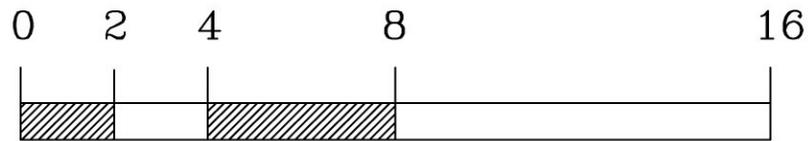

1. **Item:** Exterior signage for Barnes & Noble Calhoun Lofts Bookstore
2. **Requesting Department:** Auxiliary Services
3. **Contact Names & Phone Numbers:** Deborah A. Davis x2-9101
4. **Presenter:** Deborah A. Davis x2-9101
5. **Recommendation/Action Requested:** Approval
6. **Summary:**

This item proposes to add an exterior storefront sign to the Barnes & Noble Calhoun Lofts Bookstore location. The signage would depict a professional image; an important aspect for the identification of the services being provided at this unique retail location. The building design did not lend itself to the existing signage design in place at the Welcome Center Garage nor the Stadium Garage retail corridors. The sign will be a metal faced red sign panel with white block letters centered above the entry door. The proposed design attached has been reviewed and approved by the UH Marketing Department. Auxiliary Services will coordinate the installation with UH Facilities and Barnes & Noble.
7. **Proposed Start Date:** Upon Approval. Anticipated completion date May 2013.
8. **Supporting Documentation Description:** Storefront Elevation Drawings with dimensions and Storefront Panel Mounted photo, attached.
