

University of Houston
Campus Facilities Planning Committee
Agenda item Description Form

1. **Item:** Energy Research Park, Building 1A – Exterior Façade
2. **Requesting Departments:** Facilities Planning & Construction
3. **Contact Names & Phone Numbers:** Anna Wiesman, 3-2784 and Katherine Miller, 3-5582
4. **Presenter:** Diego Rozo – Perkins & Will Architects
5. **Recommendation/Action Requested:** Material Approval
6. **Summary:** The University of Houston plans to demolish to structure and reconstruct Building 1A located on the Energy Research Park Campus. The building will provide flexible swing office space for both the Energy Research Park Campus and the UH Main Campus.

The proposed building will be reconstructed utilizing the existing foundation and structure. The new building will be approximately 28,000 GSF and two stories tall consisting of flexible cubicle open areas, offices, conference rooms, break rooms, restrooms, copy rooms and other support spaces.
7. **Proposed Start Date:** Design began July 2013 with demolition scheduled to start January 2014 and build back April 2014.
8. **Supporting Documentation Description:** Exterior Elevations and Material Samples.
