6. **SUMMARY:** This presentation by **designLAB** is an update on the progress to Phase One of the master plan for the University of Houston. Phase One began on September 15, 2014 and continues through the May 2015 meeting of the Board of Regents. Phase One work synthesizes findings from existing studies and reports toward broader, more general concepts and principles to gradually refine the work with the subsequent two phases increasing in levels of detail. Phases Two and Three will take place over the subsequent two 12-month periods. The three phases are: Phase One/ Synthesis of Diverse Existing Studies and Data Resources, Phase Two/ Planning for Implementation, and Phase Three/ Synergies and Integration with a Dynamic Future.
7. **START DATE:** 15 September 2014
