Subject: CFPC Electronic Comment Solicitation -- Sculpture Relocation
Date: Tuesday, July 07, 2015 8:09:00 AM

Dear Campus Facilities Planning Committee:

***Your response is requested by 3:00 p.m., Friday, July 10, 2015.**

At the June 12th CFPC meeting, Mike Guidry of SWAAC reviewed several site options for re-installing sculptures displaced by construction. Michael Parks of the Bauer College of Business requested that additional sites for "Leda and the Swan" be considered: two unsightly and underutilized areas at Melcher Hall which could be improved with a major sculpture as centerpiece. Also, a new site for the Jim Fowler piece, a monumental work requiring a significant foundation and clear height, has been proposed at the NW corner of University Drive and Calhoun.

After review of the proposed sculpture locations, please return your approval or concerns regarding each proposed reinstallation to Nancy Nguyen. Please forward all questions regarding the sites or sculptures to Jeanne La Montagne, Interim Director of Planning Services, FP&C.

Thanks,

Nancy Nguyen
