Campus Facilities Planning Committee
Agenda Item Description Form

- 1. Date:** November 11, 2016
- 2. ITEM:** Indoor Football Practice Facility
- 3. REQUESTING DEPARTMENT:** Athletics
- 4. CONTACT NAMES & PHONE NUMBERS:** T J Meagher (713) 743-9426
Kerry Prejean (713) 743-4805
- 5. PRESENTER:** Kerry Prejean
- 6. RECOMMENDATION/
ACTION REQUESTED:** Approval of Building Exterior

7. SUMMARY:

The project site is located near the south east corner of the Holman & Scott intersection, adjacent to the Stadium Garage and north west of the TDECU Stadium, is the proposed site of the Indoor Football Practice Facility, a steel structure approximately 70' tall with a footprint approximately 400' x 313'. The facility has been designed with many of the surrounding campus features. We are incorporating the use of metal panel on the north and south facade to match the adjacent TEDCU Stadium. Using a mix of gray and red metal panels, we accent the entries and ends of the building to blend with the stadium. The use of this color pattern creates a material pallet within the sports area. We are incorporating the same brick that is used throughout the campus and at the adjacent stadium. The use of brick at the base allows the scale of the building to be more pedestrian friendly as you experience it up close. It also gives the building a more durable surface at the base for ease of maintenance.

- 8. PROPOSED START DATE:** Upon approval/November 2016
- 9. SUPPORTING DOCUMENTATION:** Renderings
