Chick-fil-A Update

The Chick-fil-A culture and 66-year service tradition in our locally owned and operated restaurants is to treat every person with honor, dignity and respect – regardless of their beliefs, race, creed, sexual orientation or gender. We are a restaurant company focused on food, service and hospitality; our intent is not to engage in political or social debates.

-CFA

CFA has held several meetings with Campus Pride, a national LGBT group, as well as some other civic leaders to try to clarify their corporate giving efforts. They have again stated that they do not want to support political or social agendas. As a result, Campus Pride has suspended their campaign against CFA.
