

University of Houston
Safety and Security Committee

Agenda
December 1, 2010

1. Annual Report Presentation to BOR
 - a. http://www.uhsa.uh.edu/regents/board_meetings/documents/111610FCMP/FCMP%204.1.1.pdf
 - b. Chief Davis shared the link to the Board of Regents Committee meeting website. Chief Davis did a presentation on Annual Security Report.

2. Have An Exit Strategy Wrap Up
 - a. Fire Marshal Bob Bowden reported on the final results of the Have an Exit Strategy for the University of Houston.

3. Crime Prevention
 - a. Chief Davis mentioned the different types of crime prevention items the Department of Public Safety is producing and sharing with the campus community. Some items will require that a policy be created and shared with the campus community while others can easily be shared and utilized. Below are a few of those new items that are being distributed campus wide.
 - i. UHDPS Vehicle Security Report Card
 - ii. UHDPS Bicycle Security Report Card
 - iii. Crime Prevention Email Account
 - iv. Crime Prevention Brochure

4. Addition of Environmental Health and Safety
 - a. <http://www.uh.edu/ehs/index.html>
 - b. The Department of Public Safety added the Environmental Health and Safety unit. Chief Davis shared the website with the group as an information item.

5. Walk in the Dark Notes
 - a. <http://www.uh.edu/police/WITD>
 - b. The annual Walk in the Dark was very successful. The event followed the National Night Out.
 - c. The above website lists the areas of concern and will be shared with the members of Plant Operations.

6. Committee Comments

- a. Students brought up the topic of classroom safety. Chief Davis shared the active Shooter program with the group and explained that training will be shared with the various groups on campus and definitely upon any request. Chief mentioned that it is always important to call 911 if you feel as though something is happening in a building on anywhere on campus.
- b. Assistant Chief Brad Wigtil came in to discuss the CART (Conduct Assessment Response Team) with the committee. The group assesses the individuals and develops a course of action. At present only students are being assessed at this time.

Next Meeting Date:
