Approval Items:

1. Review and Selection of Artists for the Proposals for the University of Houston Multi-disciplinary Research and Engineering Building.
Committee Recommendation: The UH System-wide Art Acquisition Committee (SWAAC) voted and Artist Tomas Saraceno was selected to propose on the Multi-Disciplinary Research and Engineering Building.
2. **Committee Recommendation:** SWAAC also approved a recommendation for soliciting a proposal from artist Tony Feher for a landscape project in a to be determined location.
3. Review and Approval of Public Art Loan from the Menil Collection.
Committee Recommendation: SWAAC approved this recommendation and Committee Members Mike Guidry and Michelle White will collaborate on the best proposed location for the Tony Smith sculpture, "The Snake is Out."

Information Item:

1. Collection Updates

The Committee agreed that due to the up-coming summer break, the Committee will not meet during the summer, and will re-convene in September. As current project progress, and input is needed from Committee members, updates and requests will be made to Committee members via e-mail.
