Approval Items:

- 1) Tomas Saraceno proposal presentation for UH Multi-disciplinary Research and Engineering Building via Skype.
 - Tomas Saraceno presented his proposal for the UH Multi-disciplinary Research and Engineering Building, and the committee discussed the proposal. Tomas Saraceno's proposal was accepted given the following conditions are met: (1) the budget and installation costs can be accommodated by SWAAC and (2) the scale model indicates that this piece will be appropriate for the size of the building.
