Approval Item:

11:30 am – 12:30 pm **Appreciation Lunch**

12:30 pm

Approval Item - Temple Northup, Ph.D. proposal presentation and discussion on Jack J. Valenti School of Communication's courtyard.

After presentation and discussion, the Committee recommended that Michael and Temple consider options such as banners and temporary video installation, and they were challenged to "think adventurously" about the temporary installation for this space and return with a recommendation for Committee vote. Recommendations included temporary installations that reflected the intellectual life and spirit of this department and its programs.

Approval Item – Review and Approval of Additions and Revisions to SWAAC Operating Policy.

After reviewing and making edits in the meeting, the Committee approved this item. This item will be reviewed and considered by the Board of Regents Facilities Construction & Master Planning Committee at the August meeting.
