Minutes

December 18, 2015

- Welcome and Committee Introductions
- The Committee engaged in a discussion with UHS Chancellor Renu Khator about establishing marketing the public art collection as a priority over the next three years and measuring the outcomes of this effort.
- The Committee continued this discussion with an interactive brainstorming by committee Members to introduce and engage the community in the public collection
 - Next steps and action items for the Committee.
 - The Committee requested a tour of the collection (scheduled for January 21st) and would like to conduct a strategic planning workshop at the beginning of 2016 to establish goals for marketing and enhancing the visibility of the collection.
- Presentation of Up-coming UHS Building Projects
 - The Committee reviewed and discussed up-coming public art projects, with a focus on the component university projects. There was a discussion about re-engaging Tomas Saraceno for a commission at the UH-Clear Lake STEM Building. Mike will follow up with David Oliver to determine deadlines so that this commission can be included on SWAAC's agenda.
