### Research Electives

- ARCH 4367: Case Studies in Sustainable Design
- ARCH 4397: Environmental Analysis
- ARCH 4321: Design of Construction Details
- ARCH 4324: High-Rise Structures

### Architecture Electives

Any course that includes an ARCH, INAR, or INDS prefix not used to fulfill other requirements may count as an Architecture Elective.

### Approved Electives

Any UH or Hines College course may count as an Approved Elective. Confirm the selected course meets the required credits specified on the degree plan. Some electives may be 1, 2, or 3 credits. Taking a 1-credit hour class does not fulfill a 3-credit hour course requirement.
