

ARCHITECTURE + DESIGN CAREER FAIR 2026

BEFORE YOU GO

Students will have opportunities to network with companies on Career Fair Day in a Meet & Greet format. The first will take place from 8:30 am – 12:00 pm, where 4th year, 5th year and Master's students are encouraged to participate. The second Meet & Greet will take place from 1:00 pm – 3:00 pm and is open to all students. From 3:00 pm – 5:00 pm, employers will have the option to interview candidates for positions posted in Cougar Pathway and/or the company's website.

Ways to secure an interview:

- **Apply to a company's position** in [Cougar Pathway](#) or on the company's website by **February 10**(the sooner, the better).
- Companies will begin reviewing applications on February 11 and **directly reach out to applicants to pre-schedule interviews** for career fair day.
- **Some companies may wait to schedule interviews** with applicants after the Career Fair networking reception or Meet & Greet opportunities.
