

Readmission from Academic Suspension

Students placed on academic suspension by the College of Architecture must meet with the Assistant Dean (or Associate Dean in the Assistant Dean's absence) to be considered for readmission.

Readmission meetings must be scheduled through the college's Student Services Office before the start of the intended semester of readmission. Call 713-743-3463 to schedule an appointment.

Students should also consult the dates below for readmission deadlines for each semester. The College of Architecture will not readmit students for summer semesters.

Students who have been placed on academic suspension and have "sat out" for 13 months or longer must reapply to the University of Houston through www.applytexas.org.

All students, regardless of their sit-out time must follow the college procedures outlined below.

Intended Semester of Readmission	Deadline
Fall	July 1
Spring	November 30

1. Readmission from academic suspension is neither automatic nor guaranteed. Students seeking readmission must submit to the appropriate administrative official of the college in which they wish to earn their degrees:

- a. A Statement of Preparedness justifying their readiness to resume their studies at the university.
- b. Transcripts showing at least a 2.00 grade point average on all college work completed elsewhere while on academic suspension from the University of Houston.
- c. Transcripts of all other completed college work.

** Students who do not have the documents outlined above should reschedule the readmission meeting for a time when the documents are available for review.

2. Students seeking to change their majors from the college from which they were suspended to another college must submit a "change of major" request along with a petition for readmission from academic suspension to the college of the intended major.

3. Colleges may have additional policies and procedures pertaining to readmission from academic suspension; therefore, students seeking readmission should consult the appropriate college office of the academic dean for specific college requirements.

4. For more information about the University's policy on Academic Notice, Probation and Suspension, please consult http://www.uh.edu/academics/catalog/general/acade2.html#academic_notice.
