

SPONSORED BY AIA HOUSTON

Dror creates ideas as a vehicle for change, where a structural, emotional, or metaphorical shift yields profound results. Our passion for ideas stems from more than a desire to disrupt: Ideas reflect our experimental spirit and boundless imagination, and allow us to initiate a radical alchemy across disciplines. We use ideas as a medium to achieve value, integrity, and authentic connections.

WEDNESDAY, SEPTEMBER 20TH AT 6PM
COLLEGE OF ARCHITECTURE AND DESIGN THEATER
