JUAN O'GORMAN

UNAM Library, San Ángel

The image shows a minimalist interior space with a white wall and a light-colored floor. A large, rectangular, textured blue wall panel is the central focus, extending from the floor to the ceiling. To the left of this panel is a tall, narrow, textured red wall panel. The blue panel has a horizontal slot near the top, and a bright, glowing light fixture is visible on the floor in front of it. The overall aesthetic is clean and modern, characteristic of Luis Barragan's work.
