

Larry Bell, AIAA, Associate Fellow

Professor/Endowed Professor-Space Architecture
Director, Sasakawa International Center for Space
Architecture (SICSA).

Contact Information:

phone: 713.743.5251
e-mail: lbell@uh.edu

Mailing Address:

122 College of Architecture Building
Houston, TX 77204-4000

Education

MFA-Industrial Design, University of Illinois
B. Architecture, University of Illinois

Research Interests

Planning and design for habitation in space and extreme terrestrial environments including polar, offshore/underwater and disaster settings. Activities also include design for advanced structure and technology applications, climate research, and energy production/conservation studies.

Current Projects

NASA lunar/Mars habitat research and design involving development of analytical models for complex programs.

Development of collaborative space research/engineering programs involving leading international academic organizations in Russia and other countries in partnership with the Rice University Baker Institute.

Fabrication/testing of a proprietary hurricane window protection fixture.

Courses Taught

Arch 5500
Arch 6203
Arch 6401
Arch 6403
Arch 7610
Arch 6398
