

CoAD CAREER FAIR 2023 TIPS & FIRM LIST

KNOW BEFORE YOU GO

All students are encouraged to network with firms on career fair days from 10am-12pm in a come-and-go format. Each afternoon, firms will interview candidates from 1-4pm for listed positions.

Ways to secure an interview:

- * Apply to firm's position in Cougar Pathway or firm's website by February 1 (sooner, the better!)
- * Firms will contact applicants directly to pre-schedule interviews by February 10
- * Some firms will wait to schedule interviews after meeting with applicants during the career fair (reception or meet-&-greet)

TIPS FOR SUCCESS

- * Check out the [recorded student orientation](#) session
- * Update your [designer resume and portfolio](#)—strongly encouraged to add a link to portfolio on your resume
- * [Research firms](#): note their size, types of projects, mission, vision, and opportunities
- * Practice your [pitch](#) and [common interview questions](#)
- * [Dress](#) for success
- * Attend the fair and network
- * Send a follow-up 'thank you' note within 24 hours
