

UNIVERSITY of HOUSTON

GERALD D. HINES COLLEGE of ARCHITECTURE and DESIGN

Application for Instructional Assistantships

Applicant Name

UH ID #

UH Email Address

Current Mailing Address

Semester applying for: Fall Spring Year: _____

Submit the following information along with your application:

1. Two letters of recommendation (e.g., faculty, previous employers)
2. Curriculum vitae or resume
3. Transcript (unofficial copies acceptable)

Please mark the courses for which you wish to serve as an Instructional Assistant. Some assignments run the duration of the academic calendar (Fall and Spring), while others are only for one semester, and typically carry a 10-hour/week workload. Please see detailed information about the assignments below. All assignments are subject to change.

UNDERGRADUATE COURSES FOR SINGLE SEMESTER ASSIGNMENTS:

- A. _____ ARCH 1200: Introduction to Architecture and Industrial Design (10)
 ○ Offered only in fall semesters
- B. _____ ARCH 1359: Design Since 1945 (10)
 ○ Offered only in spring semesters
- C. _____ ARCH 4327: Tech 5 (course content: architectural research, materials and methods) (10)
 ○ Offered only in fall semesters
- D. _____ ARCH 2230: Architectural Programming
 ○ Offered only in fall semesters

Application for Instructional Assistantships

UNDERGRADUATE COURSES FOR FALL AND SPRING ASSIGNMENTS:

- A. _____ ARCH 2327: Tech 1 (course content: conceptual structural systems, conceptual environmental systems and architectural research) (10)
- Offered only in fall semesters
- ARCH 2328: Tech 2 (course content: conceptual structural systems, conceptual environmental systems, and programming)
- Offered only in spring semesters
- B. _____ ARCH 3327: Tech 3 (course content: quantitative structural and environmental systems) (10)
- Offered only in fall semesters
- ARCH 3328: Tech 4 (course content: quantitative structural systems and environmental systems)
- Offered only in spring semesters
- C. _____ ARCH 2350/2351: Architectural Survey I & II (undergraduate sections)
- ARCH 6340/6341: Architectural Survey I & II (graduate sections) (10)
- D. _____ ARCH 4327: Tech 5 (course content: advanced building science focusing on integrative design process, materials, and delivery process)
- E. _____ ARCH 4328/ARCH 6360: Tech 6 (course content: practice of architecture, integrated practice and alternatives)

Application for Instructional Assistantships

GRADUATE COURSES FOR SINGLE SEMESTER ASSIGNMENTS (FALL ONLY):

- A. _____ ARCH 6A20 + 6A22: Tech 1 (course content: conceptual structural systems, conceptual environmental systems and architectural research) (10)
- B. _____ ARCH 6A48 + 6A50: Tech 3 (course content: quantitative structural and environmental systems) (10)

GRADUATE COURSES FOR SINGLE SEMESTER ASSIGNMENTS (SPRING ONLY):

- A. _____ ARCH 6A21 + 6A23: Tech 2 (course content: conceptual structural systems, conceptual environmental systems, and programming)
- B. _____ ARCH 6A49 + 6A51: Tech 4 (course content: quantitative structural systems and environmental systems)
