

WE'VE MOVED!

The office Educational Technology has moved! A new year brings new digs for the OET team. We are now located on the third floor of McElhinney Hall.

Dr. Linda Davis, Director: 333B

Instructional Design
& Technology Group: 338B

CLASS Web Services Team: 333C

New location, same great service; come by for a visit and discover how the Office of Educational Technology can help you.

Electronic Testing Center Available

As always, time slots in the E.T.C. are filling up quickly! If you'd like to access the E.T.C. during the Spring 2010 semester please contact Lauren Hardesty at classetc@uh.edu or 713-743-5619 to discuss scheduling your assessments. For additional information, please visit the E.T.C. website at <http://www.class.uh.edu/classidt/etc> or swing by the office located at 101AH.

Laptops For Faculty

CLASS Technology Support (CTS) has a limited number of Dell laptops available for instructors who are in classrooms not equipped with a computer, but would like to be able to use technology as part of their classroom instruction.

Laptops are equipped with Microsoft Office, CD burner, DVD drive and a wireless network card to connect to the UH Wireless network (Cougarnet accounts required for access to wireless network).

If interested in checking out a laptop for the semester, please contact CTS at 713-743-4006 or classts@uh.edu.

CLASS OFFICE OF EDUCATIONAL TECHNOLOGY

SPRING 2010

FDIP Grant Program Announced

Emphasis on Student Success and Retention in Core Courses

The 2010 FDIP Grant Program has been announced and the call for RFPs has been opened. The main focus for this year's program is student success and retention in undergraduate core courses, however faculty from all courses are encouraged to apply. The deadline for proposals has been extended to February 22nd. Grant recipients will be announced later this spring and funding will be available for use throughout the 2010-2011 academic year.

If you are interested in applying for an FDIP grant, the IDT group is available to help you build your proposal. Whether you need help with defining your project or need to brainstorm what your technology needs might be, we have helped several instructors with their successful proposals and would like to help you with yours.

!! The deadline for proposals has been extended to February 22nd. !!

For more information on FDIP grants, visit the program's website at <http://eto.uh.edu/FDIS/FDIP/>

Skill Builder Workshops

Personal Hands-on Training Sessions for Blackboard

Are you looking for quick hands-on sessions for Blackboard tools? Do you have questions about how to set up online assessments or incorporate communication tools? Sign up for the Skill Builder workshops at <http://www.class.uh.edu/classidt/skillbuilders/index.php>. The sessions will be held in McElhinney, Rm 338.
