

## Book Talk: *Far-Right Vanguard* with a UH History Alumnus

The UH Department of History invites you for a book talk by our alumnus, Dr. John S. Huntington (Ph.D. 2016) who will speak about his recent book, *Far-Right Vanguard: The Radical Roots of Modern Conservatism* (UPenn, 2021).

In this book, he looks at the history of ultraconservatism in the twentieth-century United States. This is a story about the power of conspiracy theory, nativism, white supremacy, and libertarianism to take over political messaging, which was foundational to the contemporary, vitriolic conservatism of the Trump era.

Dr. Huntington is Professor of History at the Houston Community College.

**Time and place:** Monday, October 16, 3.30-5 pm, Honors Commons (second floor of the M.D. Anderson Library).
