

The Strange History of the Simian Line:
READING MODERN HANDS

Honors Commons, April 25th 2023, 3:30-5:30 pm

The Department of History, UH, invites you to a talk by
Professor Alison Bashford,
Scientia Professor in History and Director of the
Laureate Centre for History & Population, University of
New South Wales, Sydney. She also directs the New Earth
Histories Research Program at UNSW.
