

THE UNIVERSITY OF HOUSTON FRIENDS OF WOMEN'S STUDIES INVITE YOU TO TABLE TALK

15TH ANNUAL TABLE TALK

Converse. Share. Learn. Table Talk is a fascinating combination of conversations over lunch, led by dynamic women of various cultures, professions and experience at each table. Table Talk benefits Women's Studies and the Carey C. Shuart Women's Archive and Research Collection at the University of Houston. The Shuart Women's Archive was established in 1996 to collect, preserve and share the stories of women's contributions to the life and culture of Texas and Houston. Our focus is the written records and oral histories of women's organizations and of individual women who have affected our lives.
