

2011 UH spring symposium

The 2011 UH Texas Obesity Research Center Spring Symposium will be held Friday, April 1, 1:30 pm to 4:00 pm, PGH 232. Sponsored jointly by the TORC, the Texas Learning & Computation Center and UH Office of University Health Initiatives, the program is designed to bring together UH faculty, staff, and students interested in obesity research.

Speakers will be UH faculty with well-established obesity research programs, including Drs. *Romi Ghose, Tracey Ledoux, Rebecca Lee, and Richard Simpson*. Highlights will include cutting-edge research presentations, a panel discussion and networking.

Refreshments will be provided. Please RSVP to Sarah Sweaney at sarah@tlc2.uh.edu.
