

CURRICULUM VITAE

Margaret Therese Lehman Blake, Ph.D., CCC-SLP

Department of Communication Sciences & Disorders
University of Houston
mtblake@uh.edu
713-743-2894

Research and Professional Interests

Characteristics, assessment, and treatment of apraxia and other communication and cognitive impairments associated with right-hemisphere brain damage.

Education

- Ph.D. University of Pittsburgh, Pittsburgh, PA 1999
Communication Science and Disorders
Dissertation: Predictive inference generation in adults with right-hemisphere brain damage
- M.S. Arizona State University, Tempe, AZ 1993
Speech and Hearing Science
Thesis: Inter- and intra-hemispheric dual task interference in right hemisphere brain damage
- B.S. Colorado State University, Ft. Collins, CO 1991
Communication Disorders
Minor: Anatomy and Neurobiology
Honors Thesis: Language and pre-reading activities for children
graduated summa cum laude

Professional Experience

- 2018 – present Chair, Department of Communication Sciences & Disorders, University of Houston
- 2018 – present Full Professor, University of Houston, Houston TX
- 2007 – 2018 Associate Professor, University of Houston, Houston TX
- 2002 – 2007 Assistant Professor, University of Houston, Houston TX
- 2000 – 2002 Assistant Professor, Syracuse University, Syracuse NY
- 1999 – 2000 Post-doctoral Fellow in Speech-Language Pathology, Mayo Clinic Rochester, MN
- 1998 – 1999 Clinical supervisor (ad hoc), University of Pittsburgh, Pittsburgh, PA
- 1994 – 1999 Graduate Student Researcher University of Pittsburgh, Pittsburgh, PA
- 1994 Director of Speech-Language Pathology, Kachina Point Health Center Sedona, AZ
- 1993 – 1994 Clinical Fellowship Year, Speech-Language Pathology, Kachina Point Health Center, Sedona, AZ

- 1991 – 1993 Graduate teaching assistant, Department of Speech & Hearing Science, Arizona State University, Tempe, AZ
Tutoring, grading for undergraduate Anatomy & Physiology course
- 1989, 1990 Research Assistant, Department of Speech and Hearing Science, University of Colorado, Boulder, CO
Data collection and entry for studies of hearing-impaired children

Certification and Professional Affiliations

- 2011 – present Texas state licensure in Speech-Language Pathology
- 2002 – present Member, Houston Association for Communication Disorders
- 1999 – present Member, Academy of Neurologic Communication Disorders & Sciences
- 1997 – present Member, American Speech-Language-Hearing Association Special Interest Division 2 (Neurophysiology & Neurogenic Speech & Language Disorders)
- 1993 – present Member, American Speech-Language-Hearing Association
- 2007 – 2020 Member, Academy of Aphasia
- 2013 – 2019 Member, UTHealth Consortium on Aging
- 2001 – 2002 New York state licensure in Speech-Language Pathology
- 1994 – 2000 Pennsylvania state licensure in Speech-Language Pathology
- 1994 Awarded Certificate of Clinical Competence, Speech-Language Pathology
- 1988-1989,
1991-1993 Member, National Student Speech-Language-Hearing Association

Honors and Awards

- 2022 Fellow, American Speech-Language-Hearing Association
- 2015-16 University of Houston Teaching Excellence Award
- 2001 Editors Award – Journal of Speech, Language & Hearing Research
Tompkins, C.A., Baumgaertner, A., Lehman, M.T., and Fassbinder, W. (2000)
Mechanisms of discourse comprehension impairment after right hemisphere brain damage: Suppression and enhancement in lexical ambiguity resolution. *Journal of Speech, Language and Hearing Research*, 43, 62-78.
- 1990-1991 Mortar Board Honor society (treasurer)
- 1990-1991 President's Scholarship
- 1990 Lucille Carlson Terrell award for leadership
- 1989-1990 Hesperia junior honor society
- 1988-1991 Colorado State University Honors Program
- 1988-1991 Phi Kappa Phi
- 1988-1991 Dean's List
- 1988 Alpha Lambda Delta Freshman scholastic honor society

Leadership Training

- 2017 Council of Academic Programs in Communication Sciences & Disorders (CAPCSD)
Leadership Academy (*competitive selection process*)
- 2016 Cougar Chairs Leadership Academy (*1 year program; competitive selection process*)

Research Grants and Awards

Awarded

Tatiana Schnur (co-PI); Blake (co-PI); “Recovery of Language and Theory of Mind after Stroke” (2021) NIH-NIDCD R01DC019828, 2022-2027, \$3.37 million

Blake (PI) “The influence of external cues on visuospatial neglect” Texas Speech-Language-Hearing Foundation President’s Research Fund 2016, \$1200

Blake (Consultant) “Geriatric Education Center” Health Resources & Services Association, US Department of Health & Human Services. Consultant, \$258,153 total; \$2000 Blake portion

Blake (PI) “Cognitive Strategy Training” University of Houston CLASS Grant In Aid Program. 2012, \$6000.

Blake (PI) “Cognitive Rest and Recovery from Concussion” University of Houston – Small Grants Program. 2011, \$3000

Tompkins (PI) and Lehman Blake (Co-Investigator): “Treatment for language processing deficits in adults with right brain damage” National Institutes of Health/NIDCD (ARRA) 1R01DC010182-01, 2009, \$382,345 direct costs

Blake (PI) “Preliminary work on treatment for comprehension deficits in adults with right hemisphere brain damage” Texas Speech-Language Hearing Foundation, 2009, \$1000

Blake (PI) “Contextual bias versus personal preference in story comprehension.” University of Houston – Small Grants Program. 2007, \$2965

Blake (PI) “Inference processes in adults with right brain damage.” R03 funded by National Institutes of Health – National Institute on Deafness and Other Communication Disorders NIH/NIDCD R03-DC005563-01A1). 2004 – 2006, \$150,000 direct costs.

Blake (PI) “Inferencing in adults with and without right hemisphere brain damage examined through thinking out loud protocols.” ASHA Foundation, awarded November 2001, \$5000.

Blake (PI) “Predictive inferences and right-hemisphere brain damage.” Funded by the SHRS Research Development Fund, School of Health and Rehabilitation Sciences, University of Pittsburgh, for 1998-1999; \$750.

Submitted, not funded

Tatiana Schnur (co-PI); Blake (co-PI); “Recovery of Language and Theory of Mind after Stroke (2019, 2020) NIH-NIDCD R01

Blake (co-PI); Tatiana Schnur (co-PI) “Longitudinal Study of Cognitive Recovery after Right Hemisphere Stroke” (2015) Pre-proposal submitted to the John S. Dunn collaborative Research Award Program.

Blake (PI) “Assessment of Narrative Comprehension” (2015) submitted to American Speech-Language Hearing Foundation New Century Scholars grant. (\$25,000; not funded)

Mossberg (PI), Levin (Co-PI), Lehman Blake (Co-I), (2012) Hensen, Newsome, & Wilde: Combined cognitive and cardio-respiratory training to treat chronic effects of mTBI in veterans and service members. Submitted as part of a consortium grant to DOD/VA; (\$217,751.00 requested for UH Subcontract – Not Funded).

Tompkins (PI) and Lehman Blake (Co-Investigator): (2012) “Treatment for language processing deficits in adults with right brain damage” National Institutes of Health/NIDCD renewal submitted 2012 – (\$175,000 UH site; Not Funded)

Blake (PI) “Cognitive training after blast-induced traumatic brain injury” (2011) submitted to American Speech-Language Hearing Foundation New Century Scholars grant. (\$10,000; not funded)

Lehman Blake (PI): “Context and comprehension after right brain damage”. National Institutes of Health/NIDCD. Submitted 6/2008; revision submitted 11/2009 – (\$750,000; Not Funded)

Academic/Faculty Development Grants

Blake, M. and Hoepner, J. “Clinical neuroscience for communication disorders” CLASS Project Completion Grant, awarded August 2021, \$1686

Blake, M. “The right hemisphere and disorders of cognition and communication” CLASS Project Completion Grant, awarded January 2017, \$861

Blake, M. & Dunkelberger, M. “UH ComD Developmental Writing Workshops” University of Houston Teaching Innovation Program Grant. *Submitted, not funded.*

Blake, M., Bunta, F., & Aghara, R.G. “Enhancing the ComD Core: Enriching the Core Courses in Communication Sciences and Disorders” University of Houston Faculty Development Initiative Program, awarded May 2010, \$21,330.

Invited Scholarly Presentations

Blake, M.L. (November, 2020). Social Cognition and Pragmatics after Right Hemisphere Brain Damage. American Speech-Language Hearing Association annual convention; sponsored by the Language Disorders in Adults subgroup. Invited presentation. San Diego, CA. [CANCELLED].

Blake, M.L. (November, 2015). Right hemisphere communication disorders: Current knowledge and best practices. American Speech-Language Hearing Association annual convention; Special Interest Group 2 (Neurophysiology & Neurogenic Speech and Language Disorders) invited presentation.

Blake, M.L. (November, 2011). Treatment for cognitive-communication deficits associated with right hemisphere brain damage: A case of right neglect? Academy of Neurologic Communication Disorders and Sciences Scientific Meeting, San Diego, CA.

Tompkins, C.A., Lehman, M.T., Baumgaertner, A., & Fossett, T.R.D. (1996). Suppression and discourse comprehension in right brain-damaged adults: Inferential ambiguity processing. Southwest Pennsylvania Speech-Language-Hearing Association.

Tompkins, C.A., Baumgaertner, A., Lehman, M.T., & Fossett, T.R.D. (1996). Suppression and discourse comprehension in right brain-damaged adults: Lexical ambiguity processing. Southwest Pennsylvania Speech-Language-Hearing Association.

Invited Lectures and Workshops

Blake, M.L. (March 2021). Disorders of Awareness after right hemisphere brain damage. National Black Association for Speech-Language and Hearing annual convention, virtual conference.

Blake, M.L. (2020). Communication disorders associated with right hemisphere brain damage: Social cognition, language and pragmatics. Pennsylvania Speech-Language Hearing Association Convention. [CANCELLED]

Blake, M.L. (2020). Cognitive disorders associated with right hemisphere brain damage. Pennsylvania Speech-Language Hearing Association Convention. [CANCELLED]

Blake, M.L. (February 2019). Cognitive deficits associated with right hemisphere brain damage. Texas Speech-Language-Hearing Association Convention. Invited Short Course. Ft. Worth, TX

Blake, M.L. (July 2018). Cognitive and Communication Disorders Associated with Right Hemisphere Brain Damage. University of Wyoming (1-day workshop)

Blake, M.L. (March, 2018). Cognitive deficits associated with right hemisphere brain damage: Attention, Neglect, Executive Function & Awareness. St. Joseph's Medical Center, Cape Girardeau, MO (1-day workshop)

Blake, M.L. (March, 2017). Management of Cognitive-Communication Disorders Associated with Right Hemisphere Brain Damage. Syracuse University (1-day workshop)

Blake, M.L. (October, 2016). Management of Cognitive-Communication Disorders Associated with Right Hemisphere Brain Damage. Providence Health Care, Portland Oregon. (2-day workshop)

Blake, M.L. (October, 2015). Management of Cognitive-Communication Disorders Associated with Right Hemisphere Brain Damage. Alaska Speech-Language Hearing Association state conference. (2-day workshop)

Blake, M.L. (April, 2014). Management of Cognitive-Communication Disorders Associated with Right Hemisphere Brain Damage. Rehab Institute of Chicago Academy. (2-day workshop)

Blake, M.L. (April, 2013). Acquired Cognitive-Communication Disorders: Right hemisphere brain damage and traumatic brain injury. Nevada Speech-Language Hearing Association conference, Reno, NV. (2-day workshop)

Blake, M.L. (March, 2009). Right hemisphere brain damage: Major disorders, assessment and treatment. Speech-Language-Hearing Association of Alabama, Birmingham, AL.

Blake, M.L. (October, 2008). Right hemisphere brain damage: Major disorders, assessment and treatment. Wichita Falls Speech and Hearing Association, Wichita Falls, TX.

Blake, M.L. (October, 2008). Right hemisphere brain damage: Major disorders, assessment and treatment. Washington Speech Language Hearing Association Convention, Spokane, WA.

Blake, M.L. (February, 2008). Treatment for cognitive-communication disorders associated with right hemisphere brain damage. Kentucky Speech Language Hearing Association Conference on Communication Disorders, Covington, KY.

Blake, M.L. (October, 2007). Right hemisphere brain damage: Major disorders, assessment and treatment. Maine Speech-Language Hearing Association Conference, Bangor Maine.

Blake, M.L. (October, 2005). Right hemisphere brain damage: Major disorders, assessment and treatment. Alberta College of Speech-Language Pathologists and Audiologists annual conference, Calgary, Canada.

Blake, M.L. (October, 2005). Recent research in right hemisphere brain damage. Alberta College of Speech-Language Pathologists and Audiologists annual conference, Calgary, Canada.

Teaching

Graduate Courses

ComD 6261: Research and Critical thinking (formerly Research Methods for Communication Disorders) – University of Houston

ComD 6328: Acquired Cognitive Disorders – University of Houston

ComD 6397: Special Topics in Medical Speech-Language Pathology – University of Houston

SPP 500: Motor Speech Disorders – Syracuse University

SPP 725: Neuropathologies of Speech and Language – Syracuse University

SPP 509: Neural Processes of Speech and Language – Syracuse University

Undergraduate Courses

ComD 2376: Anatomy & Physiology for Communication – University of Houston

ComD 2380: Writing in Speech-Language Pathology – University of Houston

ComD 4333: Neuroscience for Communication Disorders – University of Houston

ComD 4333: Neurogenic Communication Disorders – University of Houston

SPP 215: Anatomy and Physiology of Speech, Language, and Hearing – Syracuse University

Mentorship

Faculty mentor

2009-2018 Mentor for junior faculty in Communication Sciences & Disorders

Professional mentor

2021-2022 Curtiss Chapman, Alexandra Zezinka Durfee, ASHA Pathways program

Doctoral Dissertation Committee Member

2010 Victoria Armstrong, Psychology

2002 Henry Kohen, Psychology

Master's Thesis Committee Chair

2017-2018 Ashley Ramsey, ComD, *Survey of speech-language pathology practices related to right hemisphere stroke*

2014-2016 Casey Richardson, ComD, *Gist reasoning training in an adult with right hemisphere brain damage*

2012-2013 Dorian Sobel, ComD, *Cognitive function and accumulated sub-concussive impacts in female soccer players*

2009-2010 Hillary Montez, Communication Sciences & Disorders

2008-2010 Carmen Fahey, Communication Sciences & Disorders

2005-2006 Kim Lesniewicz, Communication Sciences & Disorders

Master's Thesis Committee Member

2016 Katia Kazhuro, Communication Sciences & Disorders

2007-2008 Shannon Randle, Communication Sciences & Disorders

Brianne Foshea, Communication Sciences & Disorders

Gina Rutherford, Communication Sciences & Disorders

2003 Elizabeth Bradshaw, Communication Disorders

Senior Honor's Theses

2012-13	Chair – Rhianna Hendry, Communication Sciences & Disorders
2012-13	Chair – Tonya Freeland, Communication Sciences & Disorders
2012-13	Committee member – Brittany Rojas, Communication Sciences & Disorders
2011	Chair - Janis Porter, Communication Sciences & Disorders
2008-09	Chair - Hillary Montez, Communication Sciences & Disorders
2003	Committee member - Julie Maury, Communication Disorders

Guest Lectures

Spring 2022	Treatment for right hemisphere communication disorders – U.Louisiana Monroe
Spring 2021	Right hemisphere communication disorders – San Diego State University
Fall 2020	Right hemisphere communication disorders – University of Washington

Service

Department

2018 – present	Department Chair
2017-2018	Member, Faculty Annual Performance Review committee
2017-2018	Member, Research Committee
2016-2017	Chair, Search Committee (non-tenure track position)
2015-2018	Member, Graduate Admissions committee
2015-2016	Chair, Search Committee
2014-2018	Chair, Scholarship committee
2014-2015	Member, Faculty Search Committee
2011-2012	Chair, Faculty Search committee
2010-2011	Chair, Faculty Search committee
2008-2013	Graduate Program Coordinator Chair, ComD Admissions committee Chair, ComD scholarship committee Chair, Graduate program outcomes assessment committee
2004	Chair, Course/clinic scheduling committee
2002 – present	Graduate Student Advisor

College

2011-2012	CLASS research review committee (Ad hoc committee)
2010-2011	CLASS Interdisciplinary Committee
2004-2010	Faculty Governance and Advisory Committee – College of Liberal Arts & Social Sciences (CLASS) 2007-2009 Chair, FGAC 2006-2007 Bylaws subcommittee member 2005-2006 Elections subcommittee member
2002-2004	Graduate Affairs Committee

University

2018-2019	Faculty Governance committee of the Faculty Senate
2017-2018	Member, Faculty Handbook revision committee

2017-2018 UH Delegate, Coalition on Intercollegiate Athletics
 2016-2018 Faculty Senator from Communication Sciences and Disorders
 member of the Faculty Affairs Committee (2016-2017)
 2013-2015 Faculty Senator from Communication Sciences and Disorders
 member of the Faculty Affairs Committee (2014-15)
 member of Graduate and Professional Education Committee (2013-14)
 2010-2014 Athletics Advisory Committee and Academic Issues sub-committee
 2010-2011 Center for Students with DisABILITIES advisory board
 2007-2008 Mentor, University Commission on Women's Pilot Mentoring Project

Professional

2021-2022 ASHA Convention Topic Co-Chair Acquired Cognitive-Communication Disorders
 2020-present Publications Editor, International Cognitive-Communication Disorders Conference
 2019-present Planning Committee Member - International Cognitive-Communication Disorders Conference
 2019-present Editorial Board, *Topics in Language Disorders*
 2021-present ANCDS RHD Writing group co-chair
 2021 Founding member of the International Right Hemisphere Collaborative
 2021 Editorial Board, *Journal of Speech, Language, and Hearing Research*
 2020-2021 Member, NINDS/NICHD Common Data Elements (CDEs) Working Group for the Rehabilitation CDE project, Communication Subgroup
 2016-2021 ANCDS RHD Writing group chair (founding Chair)
 2019 Textbook reviewer for Plural Publishing
 2017-2018 ASHA SIG2 Coordinating Committee, Associate Coordinator
 2016-2018 Clinical Aphasiology Conference – Conference Proceedings Editor
 2016-2018 ASHA SIG2 Coordinating Committee, At Large Member
 2016 Mentor, ANCDS Student Fellow program
 2016 Special Issue Editor, *Perspectives on Neurophysiology & Neurogenic Speech and Language Disorders*
 2016 VA Grant review panel
 2015-2016 ASHA Pathways Leadership Team
 2011-2016 Associate Editor - *Journal of Speech-Language-Hearing Research*, Language Section
 2015 Mentor, ANCDS Student Fellow program
 2015 Past-President, Academy of Neurologic Communication Disorders & Sciences (ANCDS)
 2014 President, Academy of Neurologic Communication Disorders & Sciences (ANCDS)
 2014-2015 Program committee member, Clinical Aphasiology Conference
 2014 Reviewer, ASHA Students Preparing for Academic & Research Careers (SPARC) Award
 2013 Mentor, ANCDS Student Fellow program
 2013 President-Elect, Academy of Neurologic Communication Disorders & Sciences (ANCDS)

2012-2013 Program committee member, Clinical Aphasiology Conference
 2011 Mentor, ANCDs Student Fellow program
 2011 Academy of Neurologic Communication Disorders & Sciences (ANCDs) nominations committee
 2010-2011 Guest Associate Editor – *Journal of Speech-Language-Hearing Research*
 2010-2011 ASHA Convention Program Committee - Language Disorders group
 2009 ASHA Convention Program committee – Language Science group
 2008-2009 President, Houston Association for Communication Disorders (HACD)
 2007-2008 President-Elect, Houston Association for Communication Disorders
 2008 ASHA Convention Program Committee - Language Disorders group
 2007-2012 Reviewer for ASHA Division 2 *Perspectives on Neurophysiology & Neurogenic Speech and Language Disorders*.
 2007-2010 Member At-Large, Academy of Neurologic Communication Disorders and Sciences
 2007-2008 Program committee member, Clinical Aphasiology Conference
 2007 ASHA Convention Program Committee - Language Disorders group; ASHA Division 2 Representative
 2006-2010 Continuing Education Administrator, University of Houston
 2005, 2006, 2007 Reviewer for Clinical Aphasiology Conference proceedings (published in *Aphasiology*)
 2003-2006 Continuing Education Administrator, ASHA Special Interest Division 2 (Neurophysiology & Neurogenic Speech and Language Disorders)
 2001-2002 Program committee member, Clinical Aphasiology Conference

Reviewer for various professional journals and publishers:

American Journal of Speech Language Pathology, Aphasiology, Brain & Language, International Journal of Sports and Exercise Medicine, Journal of Medical Speech Pathology, Journal of Speech-Language-Hearing Research, Neuroscience Letters; Delmar Publishers, Jones & Bartlett Publishers; Plural Publishing, ASHA; Professional Development Resources, Inc.
