

LEARNING **ABROAD**

Faculty Led Program

ComD Coogs in Belize!

Belize City, Belize | May 10th - 17th, 2019

COURSE INFORMATION

This program is associated with the Clinical Procedures class, but will offer all COMD majors, graduate students and SLP-A students the opportunity to earn observation/clinical clock hours and hands-on clinical experience and exposure. For COMD students who will enroll in COMD 4489, the program will fulfill the class requirement of 25 observation/clinical clock hours.

PROGRAM OVERVIEW

Students studying Communication Sciences and Disorders will gain a unique perspective into our field by providing diagnostic and screening evaluations, and treatment to underserved communities in Belize. Under the supervision of UH clinical educators and faculty, you will participate in community-based rehabilitation and work in local schools.

To apply, COMD graduate students and SLP-A students must have at least a 3.0 GPA, and undergraduate students must have completed the following COMD Core Courses with grades of B- or better at the time of application:

COMD 2339: Speech and Language Development

COMD 2338: Phonetics

COMD 2376: Anatomy
