

## JACKSONIAN AMERICA: The Creation of our Modern Society, and the Solidification of a Horrible Slave System

Our First National Celebrities

Our Current Political System

And an Increasingly Different Slave Society

### HIST 3394: JACKSONIAN AMERICA

This course examines the social and political history of the United States from the end of the War of 1812 to the Compromise of 1850. Among the topics we will explore are the Market Revolution and the sweeping effects this had on everyday life. We will also look at the transformation in the nation's political system and the role that Andrew Jackson and his followers played in this. Finally, we will examine the tensions that arose as the nation increasingly developed into two separate societies: one based on a diversifying market economy and free labor, and the other on cotton and slaves.
