

HIST 1376 and HIST 1379 are being taught in a fun and novel way that is student friendly with just two 50-minute lectures to a large class of 200 or 300 students and one 50-minute discussion with 25 students. To register for HIST 1376, US History to 1877, or HIST 1379, US History since 1877, choose which section best fits your schedule. Once you have registered for either HIST 1376 or HIST 1379, you will be prompted to select a corresponding discussion section. In PeopleSoft, these discussion sections are called “Labs.” Below is a schedule of the lecture classes and corresponding labs.
