Tips for Traveling Abroad (source: US Department of State)

If you are traveling abroad here are the top 10 tips you need to make your trip easier:

1. Make sure you have a signed, valid passport and visas, if required. Also, before you go, fill in the emergency information page of your passport!
2. Read the Consular Information Sheets (and Public Announcements or Travel Warnings, if applicable) for the countries you plan to visit.
3. Familiarize yourself with local laws and customs of the countries to which you are traveling. Remember, the U.S. Constitution does not follow you. While in a foreign country, you are subject to its laws.
4. Make 2 copies of your passport identification page. This will facilitate replacement if your passport is lost or stolen. Leave one copy at home with friends or relatives. Carry the other with you in a separate place from your passport.
5. Leave a copy of your itinerary with family or friends at home.
6. Do not leave your luggage unattended in public areas.
7. Prior to your departure, you should register with the nearest U.S. embassy or consulate through the State Department's [travel registration website](https://travelregistration.state.gov/ibrs/ui/) . Registration will make your presence and whereabouts known in case it is necessary to contact you in an emergency. **In accordance with the Privacy Act, information on your welfare and whereabouts may not be released without your express authorization. Go to <https://travelregistration.state.gov/ibrs/ui/>**
8. Try not to wear conspicuous clothing and expensive jewelry and do not carry excessive amounts of money or unnecessary credit cards.
9. In order to avoid violating local laws, deal only with authorized agents when you exchange money.
10. If you get into trouble, contact the nearest US embassy.
