COMMENTS FROM UH STAFF MPA ALUMNI:

“[The MPA] seemed like the best way to increase my future earning potential and get serious about my career trajectory.”

“There were some interesting classes and the program requirements for the degree were not too long.”

“I considered the MBA program and decided the MPA was a better fit since I was working in academia.”

“Being an employee was the ideal time to complete [the MPA].”

“The degree is applicable to all public entities, even beyond government.”

“Once I explored the options and tracks available, [the MPA program] seemed to make sense and offer insights into things I was not as familiar with (i.e. budgeting, scheduling software, and finance).”
