

## ATTENTION Sociology Majors & Minors:

### Add a concentration in *Health & Medicine* or *Workplace Diversity*!

Concentrations illustrate your interest and skills making you more competitive to employers or graduate schools.

\*\*\*\*\*

The requirements for each concentration include *one* of the two required courses plus *three* additional courses from the approved list.

#### ***Health and Medicine***

The **Health and Medicine** concentration indicates an understanding of health inequalities and health care challenges.

**Required:**

SOC3380 Introduction to the Sociology of Health Care **or**  
SOC3353 Health Disparities in Society

**Additional:**

SOC3315 Sexuality and Society  
SOC3316 Sociology of Sport  
SOC3344 Sociology of Aging  
SOC3350 Sociology of the Body  
SOC3352 Social Demography  
SOC3382 Sociology of Drug Use and Recovery

#### ***Workplace Diversity***

The **Workplace Diversity** concentration designates cultural competence and commitment to a diverse workforce.

**Required:**

SOC3342 Sociology of Work **or**  
SOC3341 Organizations

**Additional:**

SOC3315 Sexuality and Society  
SOC3327 Race and Ethnic Relations in U.S.  
SOC3328 Race and Ethnicity in World Perspective  
SOC3330 Introduction to Social Psychology  
SOC3351 Social Class and Mobility  
SOC3390 Sociology of Gender  
SOC3395 Careers in Sociology  
SOC4394 Internship in Sociology
