

Sociology Educational Fund

These scholarships are awarded to undergraduate and graduate students completing a degree in sociology at the University of Houston in the Department of Sociology. The criteria and amount of the award for these scholarships will vary relevant to the area of study or research. The departmental committees, graduate and undergraduate, consider applicable nominees based on their demonstrated qualifications with reference to sponsor/donor preferences and criteria. If a sponsor/donor specifies a particular recipient, the applicable committee confers and reviews the student's qualifications and eligibility and subsequently makes the evaluation, determination, and recommendation for the final award.

Awards are made in one increment (usually fall, spring, or summer) directly into the recipient's student account upon verification of enrollment and qualifications. A Scholarship Award Memo is prepared by the department and forwarded to the UH Office of Scholarships and Financial Aid.
