Ask yourself: What can I do with my Spanish when I've finished the language requirement?

Enroll in “Language of Business and Trade”! The focus of this course is to develop expert Spanish language skills and a deeper cultural awareness of Spanish speaking countries in order to be more effective communicators. The class covers a wide range of issues, including historical, socioeconomic, and political, and bring the world of Latin American business and trade closer to Houston. We will feature guest speakers, group presentations and engaging discussions.
