

HIST 4365-Women in Latin America
Prof. Natalia Milanesio
Fall 2017

Class meetings:
T-Th. 2.30-4.00 p.m.
Agnes Arnold Hall 2

What does it mean to be a woman in Latin America? Who defines womanhood and why? **How have these meanings changed over time?** In order to answer these questions, this class examines the historical transformation of women's roles in Latin America by looking at politics, sexuality, motherhood, domesticity, the economy, the labor market, art, and popular culture. This class effectively incorporates **the examination of masculinity and men's roles** in Latin American countries to better understand the many meanings of womanhood in Latin American history.
