

# LATINAS IN THE UNITED STATES

This course focuses on **Mexican American women's and other Latinas' roles in the broader Latinx community**, analyzing Latina politics, art, activism, literature, film, theater, and music. It studies how race/ethnicity, gender, class, sexuality, and citizenship have shaped Latina experiences.

Fall 2017 | Class MAS 3343 | Section 26125 | Instructor Samantha Rodriguez | MW 5:30 PM – 7:00 PM
