Feeling Neoliberal:

Homonormative Desires, Imperial Dreams

Friday, April 27, 2012

1:00-2:30 p.m.

Science and Engineering Classroom Building 105

This talk considers the impact of the legacy of empire and colonialism, and of current neoliberal policies, on U.S. domestic equality politics and queer transnational interventions—in their affective "feel" and approach to social justice.

Funded by the El Paso Corporation Lecture Series at the University of Houston.
