

Harris County needs to hear from families with young children!

What is the RAPID Early Childhood survey?

RAPID-EC is a survey on early childhood and family well-being, run by Stanford University.

Harris County is partnering with RAPID and UH to:

collect responses from Harris County households with young children (5 years old & under) about

- how things are going
- what issues they face
- what is needed to make things better for families and kids

UH & Stanford will share summaries and analyses of the findings with the community, to help shape policy in Harris County.

Who is eligible?

- People who live in Harris County
- are over 18
- are the primary caregiver of a child/ren 5 years or younger
- are fluent in Spanish or English.

What Gift Cards are offered:

- You will receive a \$10 Visa gift card for taking the first survey.
- After that there will be 7 more surveys on different topics related to families over the next 2 years—participants will receive a \$10 gift card for each of them they fill out.

What happens to your data?

- Though you must give your name and email in order to receive the gift card, that information only goes to RAPID at Stanford.
- Harris County and UH IRWGS receive the data from RAPID without names or emails, for analysis.
- Stanford and UH will share their data analyses with the community to keep us all informed about what's happening with families here, and to help shape policy decisions.

How to:

Scan the QR code with your phone's camera and click on the link to start the survey!

Or go to the URL online.
