Dear University of Houston Graduates,

Congratulations! Today you’ve reached a tremendous milestone that sets the stage for a bright, new beginning. Today, you become a college graduate.

This accomplishment represents your years of hard work and sacrifice and a steadfast commitment to achieve. Moreover, I know your education will make a positive impact on our society as you contribute the knowledge and skills you gained here.

You’ve received a first-class education at the University of Houston, and I know you will reach your full potential. The support of your family and friends, and encouragement of your UH faculty, advisers and staff have also played a significant part in your success. Thank them for their contribution, as we thank you for choosing our university.

Message from the Provost

Dear Graduates,

Mission accomplished! You are graduating from the University of Houston and ready to apply the knowledge gained at our institution to bold new endeavors.

As someone who has spent a few decades in academia, I know it wasn’t easy. Balancing classes, work and personal obligations tested you at times. Still, you persevered to reach this moment.

You didn’t do it alone, however. Take a moment to acknowledge those who supported you on the road to today’s commencement.

Also, stay in touch with your alma mater. Today’s ceremonies should not serve as a “farewell” to the University. Instead, look upon these commencement exercises as an informal invitation to someday return to UH and share your stories with future generations of graduates.

After all, you are forever a member of the Cougar family! Following today’s ceremonies, you will be official members of our growing alumni base. No matter where your journeys lead, you will remain an integral part of our University.

As you prepare to cross the stage today, please know that all of us are proud of you. Your very presence at today’s ceremonies is an indication of the tenacity and talent that helped earn your degrees and will take you far in your respective careers.

On behalf of the faculty, college deans and the many staff members committed to your success, congratulations! We are honored that you selected the University of Houston for your academic pursuits and proud that you are representing our institution as graduates!

University of Houston Commencement Ceremony
The University of Houston was established as the Houston Junior College in 1927. As the college grew, it prospered and officially became the four-year University of Houston in 1934. Two years later, the college attained land for a permanent campus, and in 1939 it constructed its first building, the Roy G. Cullen Building. The University became a state institution in 1963.

The University includes 15 academic colleges, one school and the multidisciplinary Honors College that teach a wide array of subjects – from math, arts and engineering to law, pharmacy and business. What started as a campus with a single building has grown into a world-class university, offering more than 270 undergraduate and graduate programs to more than 46,000 students annually.

UH is a Carnegie-designated Tier One public research university, and its public service and community activities, such as cultural offerings, clinical services, policy studies and small business initiatives, serve a diverse metropolitan population. Likewise, the resources of the Gulf Coast Region complement and enrich the University’s academic programs, providing students with professional expertise, practical experience and career opportunities.

In keeping with the University’s commitment to excellence, UH raised the benchmark of academic achievement when Phi Beta Kappa, the nation’s oldest and most prestigious academic honor society, awarded UH the approval to start a chapter in 2015. This designation welcomed UH to an elite group of the nation’s most esteemed colleges and universities.
Commencement Traditions

Academic costumes of today have a history of nearly eight centuries. In medieval Europe, all townspeople wore long flowing robes and gowns. The materials and colors were governed by royal decree. Gradually, distinctive gowns were developed for the various professions, trades and guilds. Scholars wore robes and hoods to protect their shaved heads. Later, skullcaps were worn on the head, and the hoods became a cape that could be pulled over the head during unpleasant weather.

As additional universities were founded, distinctive forms of the gown and hood were adapted by their faculties for bachelor’s (apprentices of the arts), master’s (teachers) and doctoral (teachers who had completed postgraduate studies). When caps and hats came into fashion in the 15th century, the hoods became ornamental, draped over the shoulders and down the back.

The academic hat was first worn as a symbol of the master’s degree and existed in various forms. The mortarboard style comes to us from Oxford University. When academic costumes came to America in 1754, styles were quite varied. In Europe, they still are; however, in our country, usage has been standardized by the Intercollegiate Code of Academic Costume.

Ceremonial Symbols

THE SEAL
Throughout history, seals have been used to authenticate official documents. The University of Houston and UH System seals both bear the Official Seal of Arms of General Sam Houston, as handed down to him from his noble ancestors. It includes the escutcheon in the center of the seal — consisting of checkered chevrons denoting nobility — and three martlets, gentle lowland birds that symbolize peace and deliverance. A winged hourglass is placed above the shield. Surmounting this is the motto “In Tempore,” meaning “In Time.” The greyhounds indicate speed of giving aid. The UH seal was first adopted in 1938 as the present campus was established. Although the look of the seal has evolved over the years, the first version was etched into the floor of the Roy G. Cullen Building.

UNIVERSITY MACE
The University Mace, which is carried in academic processions, is a staff symbolizing the University’s authority and unity. The tradition of the academic mace began in the late 14th century when two ancient instruments, the royal scepter and the battle mace, were combined to form a university president’s symbol of authority.

THE ALMA MATER

All hail to thee,
Our Houston University.
Our hearts fill with gladness
When we think of thee.
We’ll always adore thee
Dear old varsity.
And to thy memory cherished,
True we’ll ever be.

The President’s Medallion

Cullen Foundation

A true pillar of the community, The Cullen Foundation is dedicated to improving the quality of life of all people in Houston through sustained investments in high-performing education, health care, public service and cultural arts. Since its inception in 1947, the Foundation has distributed over $500 million in grants supporting numerous Houston institutions, including the Museum of Fine Arts Houston, YES Prep Public Schools, Memorial Park Conservancy, New Hope Housing and The Houston Food Bank, among others. In its 75 years of existence, The Cullen Foundation has given more than $82 million to the University of Houston System.

The Foundation was established by Hugh Roy and Lillie Cranz Cullen and, today, Cullen family members carry on their legacy of philanthropy through active roles as directors of the Foundation. The Cullen family and The Cullen Foundation have been generous and longtime supporters of the University of Houston, with Hugh Roy Cullen’s support dating back to the University of Houston’s first decade. A devoted champion of the University, during his lifetime he gave millions to various UH projects, served as chairman of the then University of Houston Board of Regents and had the College of Engineering named after him in honor of his unyielding philanthropy.

In 2013, the Foundation pledged $10 million to UH’s historic “Here, We Go” campaign, funding two new endowed chairs, support of the dean’s chair in the Kathrine G. McGovern College of the Arts, the Hewlett Packard Enterprise Data Science Institute and multiple buildings. In 2020, $600,000 was given to the Roy Cullen Building Renovation Fund. To address learning loss during the pandemic, in 2021, the Cougar Tutors Instructional Recovery Partnership received $500,000 from The Foundation. The generous gift enabled instructional recovery for students at six Houston-area charter schools.

The President’s Medallion is awarded at the sole discretion of the President to organizations that have distinguished themselves by their support of the University of Houston.

Message from the Dean

Congratulations, Class of 2022!

Today, we gather to celebrate you and your successful journey through the University of Houston and the Honors College.

Know that each of you has made history -- by persevering through a world pandemic, never losing sight of the goal! But the pandemic did not deter you despite unprecedented difficulties.

I’ve been affiliated with the Honors College for more than 45 years of my 48-year career as a faculty member at the University of Houston. My association began before it was even a college as you know it today – it began as the Honors Program in the 1950s. Since those initial beginnings, I have seen unprecedented growth, both in numbers of students and programs, and in overall quality. I believe that the Honors College provides exceptional opportunities to our students and has become increasingly important to the University.

With the guidance of outstanding faculty and staff, you have thrived and grown as you navigated your way through the Honors College’s exceptional academic experiences, unparalleled opportunities in research, and real-world service to the community.

Independent of the path you have taken, you are not in the same place you were when you began this journey, and neither is the College. During your time in Honors, you have been a part of its dynamic growth and development with the addition of new minors, a record-breaking number of awardees of scholarships and major awards, and new opportunities for both research and co-curricular engagement.

As you begin your careers or continue your studies through graduate or professional programs, we know that you’ll be well prepared to lead in your chosen field and continue contributing solutions to the grand challenges of tomorrow.

Although you’re graduating, the Honors College will always be a part of your life. Stay connected with the College as an alum and I hope you will support the College’s programs and scholarships for future generations.

Go Coogs!

Stuart Long
Interim Dean
and Associate Dean, Undergraduate Research
The Honors College Honors

The Honors College at the University of Houston offers students special opportunities to develop their academic abilities. Below are the Honors College designations.

**University Honors and University Honors with Honors in Major**
Students who complete the Honors College curriculum (36 hours) graduate with University Honors. If students also complete a senior honors thesis, they graduate with University Honors with Honors in Major.

**Collegiate Honors and Collegiate Honors with Honors in Major**
Students who fulfill the requirements for the honors program in the college of their major, including 21 hours of honors courses; who complete an Honors College minor, or who complete 21 hours of approved honors courses. If students also complete a senior honors thesis, they graduate with Collegiate Honors with Honors in Major.

**Membership in The Honors College and Membership in The Honors College with Honors in Major**
Students who affiliate with the Honors College during their undergraduate years and complete fewer than 21 hours of honors courses. If students also complete a senior honors thesis and fulfill the requirements of their major with distinction, they graduate with Membership in The Honors College with Honors in Major.

**Honors in Major**
Students who complete a senior honors thesis but are not members of the Honors College.
