Message from the President

Dear University of Houston Graduates,

Today’s graduation marks the start of a bright new beginning. As a college graduate, you have achieved something truly remarkable, and as president of the University of Houston, it is my honor to congratulate you on this tremendous milestone.

As you reflect on this moment, take pride in knowing it was your hard work, intellect, perseverance and belief in yourself that got you here. Equally important was the unwavering support of those around you. These values and connections have shaped who you are today and will propel you forward in your professional journey.

As you move ahead, remember the power of paying it forward. Be a mentor to someone else who dreams of achieving what you have. Moreover, remember to express gratitude to your professors, advisors, family and friends who supported you along the way.

The first-class education you’ve received at UH has provided you with the tools to thrive. You now join the ranks of UH alumni who have gone on to remarkable success in their fields — whether as business leaders, artists, educators, engineers or health professionals. I have no doubt that you will also find your path to success and reach your full potential.

Congratulations, Coogs! The world is yours.

With warm regards,

Renu Khator

Message from the Provost

Dear Fall Graduates,

You've traveled a long road to reach this moment, but here you are! Congratulations on earning a degree from the University of Houston.

Whether you're the first in your family to graduate from college or perhaps a second-generation Cougar, today's ceremony marks a significant moment in your lives. It's also special for the University of Houston as your success has been our priority since you first stepped foot on campus.

Now, you embark on new journeys. Some of you may be entering the workforce. Others may be headed to graduate school. No matter your destination, please remember those who helped you get to this point.

Stay in touch with peers, professors and staff members and remind them that their guidance supported your academic journeys. Also, thank your spouses, siblings, parents, grandparents and others in attendance today for their daily inspiration.

Of course, be sure to truly recognize the one person responsible for today's celebration—you! You balanced classes, work, family and other obligations. It wasn't easy, but you did it. Now, you are poised to reap the rewards of a degree from UH.

Although you are leaving this wonderful campus, you will remain a member of our University family. You now carry the proud tradition of past UH graduates and will represent our institution in your professional endeavors. Be proud of your time here, and let others know that you are now and forever a Cougar.

Once again, congratulations!

Sincerely,

Diane Z. Chase

University of Houston History

The University of Houston was established as the Houston Junior College in 1927. As the college grew, it prospered and officially became the four-year University of Houston in 1934. Two years later, the college attained land for a permanent campus, and in 1939 it constructed its first building, the Roy G. Cullen Building. The University became a state institution in 1963.

The University includes 14 academic colleges, one school, and the multidisciplinary Honors College that teach a wide array of subjects – from math, arts and engineering to law, pharmacy and business. What started as a campus with a single building has grown into a world-class university, offering more than 270 undergraduate and graduate programs to more than 47,000 students annually.

UH is a Carnegie-designated Tier One public research university, and its public service and community activities, such as cultural offerings, clinical services, policy studies and small business initiatives, serve a diverse metropolitan population. Likewise, the resources of the Gulf Coast Region complement and enrich the University’s academic programs, providing students with professional expertise, practical experience and career opportunities.

In keeping with the University’s commitment to excellence, UH raised the benchmark of academic achievement when Phi Beta Kappa, the nation’s oldest and most prestigious academic honor society, awarded UH the approval to start a chapter in 2015. This designation welcomed UH to an elite group of the nation’s most esteemed colleges and universities.

Commencement Traditions

Academic costumes of today have a history of nearly eight centuries. In medieval Europe, all townspeople wore long flowing robes and gowns. The materials and colors were governed by royal decree. Gradually, distinctive gowns were developed for the various professions, trades and guilds. Scholars wore robes and hoods to protect their shaved heads. Later, skullcaps were worn on the head, and the hoods became a cape that could be pulled over the head during unpleasant weather.

As additional universities were founded, distinctive forms of the gown and hood were adapted by their faculties for bachelor’s (apprentices of the arts), master’s (teachers) and doctoral (teachers who had completed postgraduate studies). When caps and hats came into fashion in the 15th century, the hoods became ornamental, draped over the shoulders and down the back.

The academic hat was first worn as a symbol of the master’s degree and existed in various forms. The mortarboard style comes to us from Oxford University. When academic costumes came to America in 1754, styles were quite varied. In Europe, they still are; however, in our country, usage has been standardized by the Intercollegiate Code of Academic Costume.

Ceremonial Symbols

THE SEAL

Throughout history, seals have been used to authenticate official documents. The University of Houston and UH System seals both bear the Official Seal of Arms of General Sam Houston, as handed down to him from his noble ancestors. It includes the escutcheon in the center of the seal — consisting of checkered chevrons denoting nobility — and three martlets, gentle lowland birds that symbolize peace and deliverance. A winged hourglass is placed above the shield. Surmounting this is the motto “In Tempore,” meaning “In Time.” The greyhounds indicate speed of giving aid. The UH seal was first adopted in 1938 as the present campus was established. Although the look of the seal has evolved over the years, the first version was etched into the floor of the Roy G. Cullen Building.

UNIVERSITY MACE

The University Mace, which is carried in academic processions, is a staff symbolizing the University’s authority and unity. The tradition of the academic mace began in the late 14th century when two ancient instruments, the royal scepter and the battle mace, were combined to form a university president’s symbol of authority.

THE ALMA MATER

All hail to thee,
Our Houston University.
Our hearts fill with gladness
When we think of thee.
We’ll always adore thee
Dear old varsity.
And to thy memory cherished,
True we’ll ever be.

Words and music by Harmony Class of 1942

President's Medallion

WAYNE DUDDLESTEN FOUNDATION

The WAYNE DUDDLESTEN FOUNDATION's core mission is to support programs that enable individuals to achieve their potential and become contributing members of our society. Anchored in its motto to provide "a hand up, not a hand out," the foundation awarded \$12,530,000 in grants, elevating 46 nonprofit organizations in 2023.

Its founder, the late Wayne Duddleston, was a proud Houstonian who helped shape the city as a real estate developer and philanthropist. He firmly believed in funding for education programs, as he saw education as a key to society's ills. To that end, the foundation has been a faithful supporter of the University of Houston since 1982.

Within the past decade, the foundation has funded several impactful UH programs, including a \$100,000 grant in 2014, which helped establish the Tier One Scholarship to attract high-achieving students. In 2017, a \$50,000 gift established a need-based scholarship for students in the Graduate College of Social Work.

Honoring Duddleston's business legacy and passion for mentoring young businessmen and businesswomen, a series of game-changing gifts were made to the C.T. Bauer College of Business. In 2019, a \$250,000 gift provided 25 scholarships to undergraduate students in Bauer College. In 2021, a \$4,000,000 gift established The Wayne B. Duddleston, Sr. Endowed Scholarship in Entrepreneurship, benefiting high-achieving students in Bauer College's Wolff Center for Entrepreneurship. Concurrently, the foundation gave \$1,000,000 to establish The Wayne B. Duddleston, Sr. Endowed Scholarship in Real Estate for high-achieving students in the college's Stanford Alexander Center for Real Estate.

In 2023, a generous \$5,000,000 gift established The Wayne B. Duddleston Free Enterprise Institute to expand entrepreneurship training and resources for all students at the University. Karen Duddleston, Wayne Duddleston's wife and a UH alumna, said the institute will help more people along the journey to success and help diversify and build strength within our economy for generations that follow. The transformative institute will operate in association with Bauer College's top-ranked Cyvia and Melvyn Wolff Center for Entrepreneurship.

The President's Medallion is awarded at the sole discretion of the President to individuals and organizations that have distinguished themselves by their support of the University of Houston and the community.
