

Selection Process for University Sponsored Organizations Center for Student Involvement

The Center for Student Involvement will practice the below selection process for University Sponsored Organization supported by the Center for Student Involvement.

1. Applications are created by the Center for Student Involvement through Get Involved and made available during the month February.
2. Applications are reviewed by the respective advisor for each organization, in consultation with the outgoing executive board.
3. Interviews are scheduled at the close of applications with students that meet the minimum academic requirement of a 2.5 cumulative GPA by the respective advisor for each organization.
4. Interviewers for the Chief Executive Officer will consist of the outgoing Chief Executive Officer, advisor for the organization, and any other relevant stakeholders (i.e. alumni, mentors, etc.), based on availability.
5. Once the incoming Chief Executive Officer is selected, interviews for all remaining positions will consist of the incoming Chief Executive Officer, advisor for the organization, and any other relevant stakeholders (i.e. alumni, mentors, etc.), based on availability.
6. Final decisions must be made by consensus by all individuals included in the interview process. If selected for a position, students will be notified prior to the Executive Leadership Retreat in May.
7. The respective advisor for each organization will recheck GPAs at the close of each semester.

If a position were to re-open outside of the above hiring timeline, the application and interview process will remain the same.
