

What is your child's vision?

Visit the University Eye Institute before your children go back to school.

***Untreated vision problems
limit a child's ability to
learn***

Our team of doctors provides advanced vision care services based on your child's individual needs.

....trust the doctors who teach the doctors

Open to the public Monday thru Friday 8 a.m. to 6 p.m. and conveniently located at 4901 Calhoun
To schedule an appointment please call 713.743.2021 or www.uei.uh.edu
