Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

In the early years of the Program (i.e., prior to the 08-09 academic year, students were able to transfer up to 48 hours of credit as long as they graduated from the NASP approved UH-Clear Lake specialist program (i.e., 69 hour master's program). Graduates of other NASP approved specialist programs could also qualify for a large number of transfer credits, but had to complete our Course Evaluation Request form to determine if classes could be waived.
