University of Houston Environmental Health and Safety & Campus Safety Systems

Presents:

Beyond the Lab: Increasing the Visibility of Biosafety and Biosecurity

October is the 6th Annual ABSA Biosafety and Biosecurity Month: an opportunity for us all to consider the important roles that we serve in fostering an understanding of biosafety and biosecurity. Environmental Health and Safety along with Campus Safety Systems will be hosting two open Q & A sessions.

Time and locations where you can meet biosafety and biosecurity professionals are as follows:

- The Health 2 Building, First Floor (In front of the elevator banks): October 23, 2019 from 10:00 a.m. - 12:00 p.m.
- Science and Engineering Research Center, First Floor Lobby: October 23, 2019 from 1:30 p.m. - 3:30 p.m.

We hope to see you there!
