

PRINCIPLES OF EXCELLENCE

Information About Veterans

On April 27, 2012, President Obama signed Executive Order 13607; Establishing the Principles of Excellence for educational institutions service members, veterans, spouses, and other family members. The University of Houston fully complies with the seven principles and is dedicated to helping our veteran and non-veteran students succeed! Educational institutions participating in the Principles of Excellence program agree to the following guidelines:

Provide students with a personalized form covering the total cost of an education program.

The Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020 requires educational institutions to make certain disclosures to students using federal military and/or VA educational benefits. You can access a personalized data sheet by visiting the [THECB Net Price Calculator](#) and selecting Texas State University. Additional financial information can be found at the [NCES College Navigator](#) site.

The Financial Aid Shopping Sheet is a consumer tool that participating institutions will use to notify students about their financial aid package. It is a standardized form that is designed to simplify the information that prospective students receive about costs and financial aid so that they can easily compare institutions and make informed decisions about where to attend school. Note: only student who have applied for aid using the FAFSA can use this tool. It can be found in [MyUH Self-Service](#).

Students using GI Bill® Chapter 33 (Post 9/11), Chapter 35 (VRE), or Chapter 30 (Montgomery GI Bill)® benefits must submit a [certification request](#) via your [MyUH Self-Service](#) account. The TXST Office of Veterans Affairs will review available benefits, have it applied to the bill, and then send notice to the student to review their bill for remaining debts.

Information to apply for financial aid can be found on the [Financial Aid and Scholarships](#) website.

Provide educational plans for all military and Veteran education beneficiaries.

Each student can access their degree plan through [MyUH Self-Service](#). A list of all degree plans can be found on the [online catalog](#).

Information About Veterans

End fraudulent and aggressive recruiting techniques and misrepresentations.

University of Houston bans all inducements (including any gratuity, favor, discount, entertainment, hospitality, loan, transportation, lodging, meals, or other items having monetary value of more than a de minimis amount) to any individual or entity (other than salaries paid to employees or fees paid to contractors in conformity with all applicable laws) for the purpose of securing enrollment of service members or obtaining access to tuition assistance funds as part of efforts to eliminate aggressive marketing aimed at service members.

University of Houston does not participate in high-pressure recruitment-marketing tactics. University of Houston will not provide any commission, bonus, or other incentive payment based directly or indirectly on securing enrollment of federal financial aid (including TA funds) to any persons or entities engaged in any student recruiting, admission activities, or making decisions regarding the award of student financial assistance.

Accommodate Servicemembers and Reservists absent due to service requirements.

Re-admission is guaranteed, pending proof of compliance with minimal technical standards and the Codes of Academic and Behavioral Conduct, for students whose military reserve obligations may necessitate a period of absence from the academic program when they are called to extended active duty. More about the re-admission policy please review the University handbook. More information about readmission
