PARKING LOT CLOSURE AND POWER OUTAGES

Houston, Texas, May 15, 2012 - On Friday, May 18, 2012 at 2:00 PM, one of two entrances to parking lot 11A (the parking lot off of Cougar Place Drive adjacent to Robertson Stadium) will be closed. In addition, a section of approximately 75 parking spaces in Lot 11A will be roped off. This is being done so that electric lines can be rerouted from the south side of Cougar Place Drive to the north side of Cougar Place Drive.

During this work, there will be a power outage to Robertson Stadium, the Police Building, and the UHDPS Parking Enforcement Building on Saturday, May 19. This project site is located southeast of Robertson Stadium. It is bordered by Cougar Place Road to the north and west, Wheeler Street to the south, and Cullen to the east.

This closure will last all day and could extend into Sunday, May 20. Cars left unattended in the work zone shown on the attached site plan after 2:00 PM on Friday, May 18 will be towed at the owner's expense.

Please refer to the below drawing for affected areas.

For more information on this project please contact Margaret Manley, Project Manager at mdmanle2@central.uh.edu or (713) 743-9003.

About the University of Houston

The University of Houston is a comprehensive national research institution serving the globally competitive Houston and Gulf Coast Region by providing world-class faculty, experiential learning and strategic industry partnerships.
