SCIENCE & RESEARCH 1(SR1) CIRCLE DRIVE CLOSURE

On Monday, February 20th, 2012, the circle drive off of Entrance 14 at Science & Research 1 will be closed between the hours of 10:30 PM and 1:30 AM. The adjacent sidewalk will be closed off to pedestrian traffic as well.

Construction crews will be moving mechanical equipment from the ground to the 5th floor of Science and Research 1. Satterfield & Pontikes Construction will be bringing in a crane to move this equipment and they will be providing flag men to guide the crane and safety observers to make sure the area is clear of any hazards and to keep pedestrians clear of the crane paths.

Please refer to the attached drawing for affected areas. The area indicated with red is the drive area that will be closed.

The construction will begin February 20th, 2012 at 10:30 PM, and is expected to be completed by 1:30 AM.

Please contact Emily Eldridge, Project Manager, if you have questions related to this project at eeldrid2@central.uh.edu or by phone at 713-743-5967.

About the University of Houston

The University of Houston is a comprehensive national research institution serving the globally competitive Houston and Gulf Coast Region by providing world-class faculty, experiential learning and strategic industry partnerships. UH serves more than 38,500 students in the nation's fourth-largest city, located in the most ethnically and culturally diverse region of the country.
