Director, Utility Operations

Making It Real Feedback

Graduate College of Social Work Project

Architect: Rdlr | Contractor: Kitchell | PPM: Gary Gallagher | SPM: Allison Wright | Dean: Alan Dettlaff

The Graduate College of Social Work (GCSW) 1,500 SF lobby addition & first floor renovation has transformed the GCSW into a fresher space with modern style and character. A large table with seating is centered in the new lobby space providing students space to gather and study. Its significance is that everyone is welcome and everyone has a seat at the table, which reflects the college’s mission “to achieve and sustain justice for all”.

This project continues to be recognized in the construction industry. In 2021, the project received the National Excellence in Construction Eagle Award (Institutional <\$5M) from Associated Builders & Contractors (ABC) and the Excellence in Construction ICE Award from ABC of Greater Houston. In 2022, the project received the Award of Merit, Small Project Category from Engineering News-Record (ENR).

Making It Real Feedback

College of Architecture Custodians Maintain Excellence

The Gerald D. Hines College of Architecture and Design Dean and staff are very happy with Asucena Chavez and Orbelina Rodriguez 's work. A strategic shift was made from night shift custodian support to day shift and the change turned out to be a perfect fit for the needs of the college. Sincerest praise came from Administrative Coordinator Linda Silva expressing her gratitude for these dedicated team members. Awesome job!

Hess 5K Walk

Thank you to those who engaged in the Hess 5K. It was beautiful weather and a lovely walk. Awesome job Nancy Borja, Michael Knight, Jacqueline Silis, Erica Sims, Jennifer Rea and Shercan Castaneda.

Coin display holders are available for those who have received a coin.
