SUBJECT: FACULTY SENATE RESOLUTION ON HEAF FUNDS

At its May 10 meeting, the Faculty Senate voted unanimously (FSR95 S-7) to tell the University of Houston administration that there should have been more consultation and discussion on its priorities for HEAF money through the year 2000. The Senate also urges the president to open up further discussions on HEAF expenditures to a wider circle of feedback.

University of Houston Faculty Senate Resolution on Information on HEAF funds

The Budget and Facilities Committee is concerned by the lack of information provided to faculty governance bodies, especially the UPPC, regarding the President's recommendations of priorities for HEAF expenditures to the year 2000. We believe that there should have been more consultation and discussion, and that the administration should have revealed the commitment to use HEAF funds for the Music building.
