

**University of Houston Faculty Senate
Resolution to Create
Faculty Committee for Oversight of New Instructional Technologies**

Charge:

To provide advice and make recommendations to the Executive Vice President for Academic Affairs and Provost on the use of new technologies in increasing the effectiveness of on-campus and off-campus instruction.

Composition and Selection:

One member each shall be selected annually by the Faculty Senate, the Graduate and Professional Studies Council, the Research Council, the Undergraduate Council and the University Planning and Policy Council, by means each of these groups deems appropriate. These members shall be responsible for keeping their respective organizations apprised of the deliberations of the committee, and of apprising the committee of the concerns of their organizations. Six members will be appointed by the Committee on Committees of the Faculty Senate from the faculty at large. These appointments will be for terms of three years, staggered so that two members are replaced each year. New appointments will begin on the first day of September.

Bylaws:

The committee shall draft such bylaws as it deems appropriate for its operations, and report these bylaws to the Faculty Senate Executive Committee, the Graduate and Professional Studies Council, the Research Council, the Undergraduate Council and the University Planning and Policy Council.
