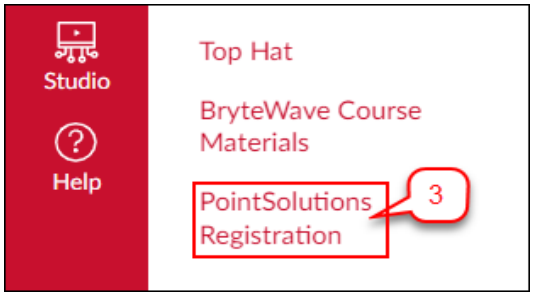
Creating PointSolutions Account & Registering Subscription

1. Log into Canvas.

2. Select the course you use **PointSolutions** response system.

3. Locate and click the **PointSolutions Registration** link on Course Navigation or inside a Module.



4. Your First Name, Last Name and UH email address (**xxx@cougarnet.uh.edu**) should be populated. Just enter your new password and check the "End User License Agreement" box and Click **Finish**.

   Notes: If your information is not populated as the following screen, please contact clicker@uh.edu, and add "Creating PointSolutions Account Issue" in the subject line.

5. Now, you have created a PointSolutions account. Click **“Let’s get started”** to purchase or redeem a subscription.

6. Select a new subscription to purchase or enter a subscription code if you have received one from UH Bookstore. Then, click**Next**.
Note 1: *If you purchase a subscription online, it will apply to your PointSolutions account automatically.*
Note 2: *Clicking* ***next*** *without selecting an option will skip this step.*

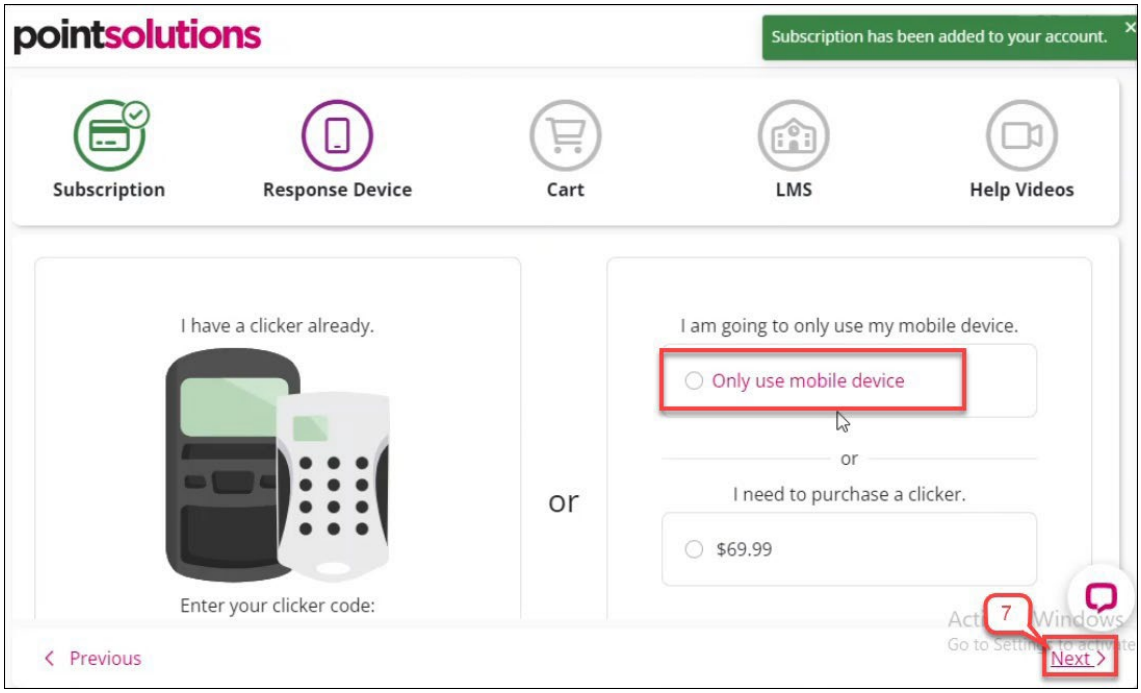
7. Select “Only use mobile device.” Then, click **Next**.
Note 1: *If your instructor allows you to use mobile devices and you do not need to purchase a clicker*
Note 2*: Clicking* ***next*** *without selecting an option will skip this step.*



8. Under “Learning Management System,” make sure to see the Green Checkmark with **Canvas**. So, your PointSolutions account connects with Canvas. Click **Next** to continue.
